

THINK BIG

GEORGIA O'KEEFFE

KARLYNN KEYES
& ANITA KEYES

Our family has enjoyed having several works of art and sculpture by Miss O'Keeffe, as well as many other regional artists, in our lives throughout the years and we continue to be inspired by their beauty and elegance. It is our privilege and our pleasure to pay tribute to the artistic legacy of Miss O'Keeffe and Juan Hamilton, through the artfully crafted collections that we have created for the O'Keeffe Museum in Santa Fe. We invite you to see the world with an artist's eye and to THINK BIG.
